If it is determined by South Strand Cardiology, LLC that your records are protected by Federal or State Laws and Regulations concerning confidentiality of alcohol and drug abuse patient records, the diagnosis and treatment of AIDS, HIV infection or HIV related illness; the following note will be attached to the information sent to the recipient. NOTE TO RECIPIENT OF INFORMATION: This information has been disclosed to you from records protected by Federal or State confidentiality rules. Federal or State rules prohibit you from making any further disclosure of this information, unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or as otherwise permitted. A general authorization for the release of medical or other information is not sufficient for this purpose. The Federal or State rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.
